2020-2021 HMS Course Selection

Football, Basketball, Band, and 8th grade Choir and Yearbook will be year-long courses. These courses will require Coach's/Director's/Teacher's approval. Information may be obtained from the Guidance department.

***Non-Core courses may be replaced by tutorial classes where academic assistance is needed.**

***HMS reserves the right to move students into other elective courses if necessary.**

**Please do not request schedule changes. Physical education is state-mandated; a medical exemption provided by a physician is required for removal from physical education.*

**Please schedule a teacher conference for your child as soon as school opens to inform teachers of any pertinent needs (even if your child attended school in this district last year).*
